Spread the word! 2021 tax returns = \$ for kids

- ✓ The **expanded Child Tax Credit** offers qualifying families up to \$3600 for kids under 6, and \$3000 for kids ages 6 to 17. Half of the credit was sent in monthly payments last year; the remaining half is claimed on 2021 tax returns. If you did not receive the advance payments, you can still claim the whole credit. The credit will not affect eligibility for other benefits, is not income and is not a loan.
- ✓ **Where to get free help:** Find IRS certified volunteer tax preparers at VITA sites: bostontaxhelp.org/tax-sites/

Most kids in the U.S. are eligible!
